What can happen ...

Personal Commitment &
Leadership

Where to start ...Inclusion Audit (Systems)

A Cohesive Framework

Conclusions & Observations

- One of the challenges - knowing how well you are doing
- Establishing a commitment
- This creates a catalyst to learning in your organisation
- Systemic change needed alongside leadership commitment and skills
- Beware the *“Sun lounge of contentment”*

**By valuing difference we can make a valuable
difference**

Where will you start to make a difference?
