

We are **the go-to HR experts** who manage all your people related strategies and help your business grow

SALLY WHITE & SARAH STEVENS

When SYLO was established over ten years ago our focussed aim was to provide clear and trusted HR advice and support. This proactive approach of working in partnership with our Clients has seen our company grow, working with a wide range of businesses across many sectors.

Why us?

From straightforward HR advice, to helping develop effective, integrated business strategies,

we pride ourselves in creating sustainable solutions for your people and your business.

Our service goes beyond HR Essential Advice and policies and documentation to include:

- People Support
- Coaching
- Business Strategy
- Learning and Development
- Health and Safety

Understanding that your people are crucial, our service is focused on ensuring you have a motivated, productive & happy team that work alongside you in achieving your goals and objectives.

OUR FOCUS.

We know the people in your organisation are critical to your current and future growth,

but sometimes issues arise which can disrupt the smooth running of the business, or maybe you know you aren't achieving your maximum potential but are unsure why.

Our focus is on helping you, your people and your business work better together.

We have a calm, clear, collaborative approach, which concentrates on really understanding all your issues before proposing a response that is tailored to your ways of working.
