

We are **the go-to HR experts** who manage all your people related strategies and help your business grow

PEOPLE SUPPORT

Our qualified team will help you manage the most important part of any business, the wellbeing of your people; via Coaching, Psychometric Assessments and other techniques.

Your people are your most important asset, without them your business wouldn't survive, or thrive, so it makes sense to look after them.

Here at SYLO, we recognise the importance of providing high levels of advice and support for both you and your people; so, we have assembled a team of talented experts, ready to work with you, the leaders in your business, your teams and individuals to provide the support required.

Within our People Support service we offer:

Wellbeing

Helping you and your teams learn how to create positive and helpful habits that support physical and mental wellbeing and good mental health at work

Coaching

From the CEO and MD to the young graduate, our qualified coaches have extensive experience in dealing with all the issues you might be facing

Psychometric Assessments

Qualified / accredited by SHL and Thomas International, plus we have expert coaches in Strengths Profiling

Outplacement Support

Offering a wide range of online skills training and Career Advisory sessions for those needing to move on in their career, within and outside the organisation
